WEST SPRINGFIELD — [Chocolate Pickle Tacos](#) may sound intriguing, but they aren't worth your time, money or stomach space when visiting [The Big E](#), according to [MassLive senior reporter Nick O'Malley](#). But there are plenty of things MassLive reporters would eat again.

The Big E, the multi-state fair in West Springfield, opened for its 17-day run on Friday. MassLive reporters Heather Morrison, Sebastian Restrepo and O'Malley attended opening day, eating two dozen food and drink items.

O'Malley rated the Chocolate Pickle Tacos a 2 out of 10. However, he rated the S'mored Oreo from the Vermont Marshmallow Company a 9 out of 10. Morrison favored the Samoa doughnut and Restrepo loved the Apple Nachos.
